**PERMISSION FOR
Jacqueline Freer-van Zyl & Partners
TO APPEAL FOR DONATIONS & RAISE FUNDS ON BEHALF OF SOS CHILDREN'S VILLAGES**

SOS Children's Villages Cape Town is an independent, non-governmental, non-profit, social development organisation, which was officially opened in Cape Town in 1994 by the then President, Nelson Mandela. South Africa joined the ranks with over one hundred other countries in the global village network of SOS organisations worldwide.

Our core function is to build families for children in need, by helping them shape their own futures and contribute to the development of their communities. We protect the interest and rights of children who are neglected, orphaned, destitute, abandoned and abused. Millions of children worldwide live apart from their biological families; our aim is to ensure that each orphaned and vulnerable child who finds solace at SOS Children's Villages grows up in a loving home with happy childhood memories.

It was former President of SA and Internationally recognised icon, Nelson Mandela who said, "There can be no keener revelation of a society's soul than the way it treats its children" With this in mind, we would like to confirm permissions that Jacqueline Freer be allowed to appeal for donations on behalf of SOS Children's Villages, on an ongoing basis.

I can confirm that all donations collected and raised to date by Jacqueline Freer-van Zyl and her respective partners have been logged and received by SOS Children's Villages, Cape Town, South Africa. I can only say that Jacqueline Freer, her partners, sponsors, and supporters have souls that are filled with LOVE. Thank You for selecting SOS Children's Villages as your beneficiary for Mandela Day.

Kind Regards

Heidi Hesketh
